

HP 82 Ink Cartridges are key components of the HP Modular Ink Delivery System for HP Designjet 500 and 800 series printers, and deliver ultra-small ink drops for superb quality printing at fast speeds.

Graphic designers and ad agencies specialising in packaging, point-of-sale or signage. Technical professionals specialising in architecture/engineering/construction (AEC), mechanical design or geographical information systems (GIS).

Separate printheads and large-capacity ink cartridges

Long-life printheads and ink cartridges mean fewer supplies changes and greater productivity.

Replace individual supplies as needed, saving time and money.

HP Photorec III Precision Technology

Multiple drops of ink are layered in a single dot to create smooth colour transitions and more directly printable colours.

Precise dot placement ensures line drawings that are always clear and sharp.

Built-in smart features monitor ink levels to eliminate guesswork.

Smart technology enables ink cartridges, printheads and printer to communicate and maximise quality and performance.

User alert provided when supplies need to be replaced.
