

**HP 73 Ink Cartridges provide outstanding quality and long-lasting, problem-free prints time after time. Avoid the waste and rework and save time and money. Get rich, vivid colour with quick colour stability.**

**Ideal for professional photographers and graphic designers.**

HP Vivera pigment inks are designed for problem-free printing. Carefully selected ultra-pure pigments and exclusive ink formulation technology ensures that pigment particles remain evenly dispersed and ink flows freely.

Built-in intelligent technology in the cartridge makes adjustments for colour accuracy and ensures you get outstanding results every time you print. With HP Vivera pigment ink and HP media, get quick colour stability for fast print reviews.

When you use HP Vivera pigment inks, you get outstanding quality prints that make a lasting impression. Prints produced with HP Vivera pigment inks achieve over 200 years print permanence on a range of HP creative and specialty media<sup>1</sup>.

<sup>1</sup>Image permanence estimates by HP Image Permanence Lab based on testing on a range of HP creative and specialty papers: confirmation tests in progress at Wilhelm Imaging Research, Inc. See <http://www.hp.com/go/supplies/printpermanence> for details.
