hp LaserJet 1150 ultraprecise print cartridge

Designed specifically for the HP LaserJet 1150 printer series, the HP LaserJet 1150 ultraprecise print cartridge provides crisp, sharp results every time you print. Complementing the HP printing system, it provides an ideal solution for day-to-day printing of a variety of monochrome documents. Professional print quality is combined with consistent performance, dependability and an easy-to-use design for cost-effective, high-performance personal printing at a very affordable price.

consistently high print quality

HP's advanced toner formulation and improved technology for accurate placement and control of toner particles provide extra sharp black text and smooth greyscales, delivering optimal results every time you print.

ease-of-use and maintenance

A convenient all-in-one cartridge design allows for efficient use, facilitating effortless installation, maintenance and replacement.

reliable performance

Precise matching of HP print cartridge design, toner and printing process components guarantee a consistently reliable performance and time saving operations, underpinned by rigorous quality testing and HP warranty.

business-ready output

An instant-on fuser enables fast first page out with no warm-up delay, ensuring the first page is printed in under 10 seconds.

highly cost-effective printing

With an average output of 2,500 pages, combined with HP's renowned reliability, the HP LaserJet 1150 ultraprecise print cartridge offers a competitive standard cost per page and overall low cost-of-ownership.
