

HP Color LaserJet Print Cartridges for the 3500 printer series

Consistently outstanding colour print quality

- HP Color LaserJet 3500 cartridges and the printer use an improved electro-photographic process to maintain accurate colour even in extreme conditions.
- Advanced toner formulas deliver a broad range of vibrant colours and sharp text for professional results.

Reliability saves time and increases productivity

- High-yield HP Color LaserJet 3500 cartridges, speciality papers and the printer are designed together.
- This cost-effective system provides reliable, efficient operation that minimises user intervention and

maintenance-saving time and improving productivity.

Easy to install and maintain

- HP Color LaserJet 3500 cartridges are part of a printing system designed for efficient, timely maintenance and easy installation – no manual required.
- When toner levels are low smart technology provides alerts for timely cartridge replacement.

Target audience

- Small workgroups in small and medium businesses and large business environments.

HP Color LaserJet 3500 print cartridges deliver the professional quality and legendary reliability expected from HP LaserJet printing. The easy-to-use design works with your HP printer for vibrant colour and cost-effective operation. High-yield HP cartridges and the printer are designed together to work together. An improved electro-photographic process adjusts automatically to ensure consistently accurate colour on a variety of plain papers and HP speciality media - even in high-humidity.

HP Color LaserJet Print Cartridges for the 3500 printer series

Improved electro-photographic process

HP smart printing technology guarantees consistently high-quality results through an improved electro-photographic process that detects environmental printing conditions such as temperature and humidity. Customers do not need to change their print settings as the print cartridges' electro-photographic voltage is automatically adapted to consistently deliver excellent printing results, even in extreme climate conditions.

Smart printing features available with the HP Color LaserJet 3500 printer series
