

HP LaserJet CB436A Black Print Cartridge with Smart Printing Technology

HP LaserJet CB436A Black Print Cartridge produces bold, crisp text and sharper images thanks to spherically-shaped HP monochrome toner. Intelligence built into the cartridge enhances reliability and enables time-saving features for even better value.

HP technology ensures precise, reliable printing every time

When time is money, you get true value with Original HP print cartridges. Communication between the cartridge and the printer enables adjustments that optimise print quality and reliability for trouble-free, professional prints every time.

Built-in intelligence; keep working without interruption

Built-in intelligence lets you experience trouble-free printing and easy, convenient supplies reordering with HP SureSupply. Communication with the printer enables alerts when supplies are low and lets you keep working without interruption. Learn more at <http://www.hp.com/learn/suresupply>. When supplies management is this easy, you have more time to be productive.

Bold, crisp text and sharper images with every print

Spherically-shaped particles in Original HP monochrome toner, developed and tuned specifically for monochrome printers, produces bold, crisp text and sharper images. Achieve consistent, professional results each time with HP toner innovation.
