

HP Color LaserJet Printing Supplies for the 2550 printer series

Consistently outstanding colour print quality

- Professional-quality colour every time. HP's chemically-grown toner formulas achieve more with improved fusing technology in the printer. The result is a wider range of colours, sharp text and higher gloss to make your business and ideas shine.

Reliability saves time and increases productivity

- Save time and lower overall printing costs with HP Color LaserJet 2550 printing supplies. HP's reliability means less time wasted on printing problems, higher productivity and more cost-effective printing.

Easy to install and maintain

- Enjoy low maintenance, trouble-free printing with HP Color LaserJet 2550 printing supplies. Interactive system technology in HP print cartridges, the imaging drum and your printer makes HP supplies easy to order, install and maintain.

Target audience

- Micro businesses, small workteams and satellite offices in larger businesses.

See your business and ideas shine with the wider range of colours and higher gloss produced by the chemically-grown toner formulas in HP Color LaserJet print cartridges. HP supplies for professional quality printing; easy, reliable and cost-effective.

HP Color LaserJet Printing Supplies for the 2550 printer series

Improved electro-photographic process

HP smart printing technology guarantees consistently high-quality results through an improved electro-photographic process that detects environmental printing conditions such as temperature and humidity. Customers do not need to change their print settings as the print cartridges' electro-photographic voltage is automatically adapted to consistently deliver excellent printing results, even in extreme climate conditions.

Smart printing features available with the HP Color LaserJet Smart Print Cartridges for the 2550 printer series

Supply status information

- Supply low
- Supply out
- Supply gauge (supply status page)
- Estimates pages remaining
- Non-HP supply notification
